

Your Chance to

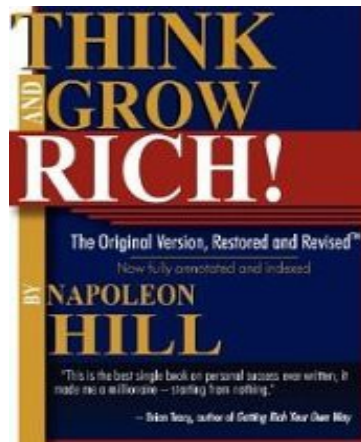

Quantum Leap to Success

FIVE Week INTENSIVE Study MasterMind Group on

THINK AND GROW RICH

The Most Successful People Never Reach The Top All By Themselves.

They have been the product of a team of minds united in achieving the same, pre-defined goal - **a MasterMind Group**. They knew the importance of collaborating with other high achievers on an on-going basis to fill, complement and supplement their knowledge gaps and make "**quantum leaps**" to success, that would be **impossible** to make on their own.

How it Will work for you:

By studying and applying 13 principles from **Think And Grow Rich** with the help of the **MasterMind Group**, you will begin to identify the ways in which you may be limiting yourself in achieving a higher level of success; financially, relationally, intellectually, physically and spiritually.

Start Date: May 22, 2013 7:00 – 8:30 PM

What Previous TAGR Participants are saying (read more testimonials on www.ThinkAndGrowRichUS.com):

"Wanted you to know how much I appreciated this class, and how much I got out of it. I'm using it successfully to achieve some key goals in my career."

"I was hesitant to join at first because I already read the book. I am so glad that I made time for it. You provided insights that I didn't tap into when I read the book on my own. This has been a valuable investment of my time."
