## Arazyme

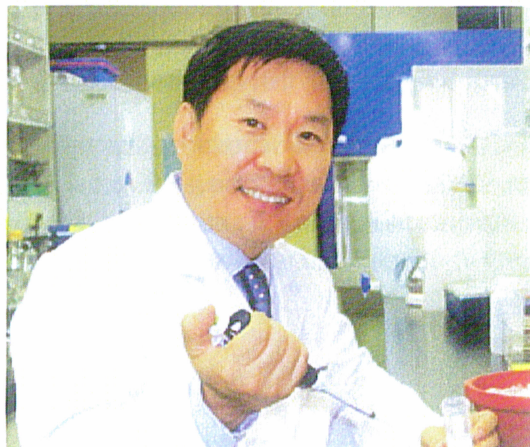

Item Code 4000      Suggested Retail: \$132.00

Patented Enzyme Technology Facial Cleanser.

Powerful enzymatic action dissolves dull, dry cells without the irritation of acid type peels.

Cleanser, Toner and Cell Renewal Treatment.

Comes in both Arazyme Powder and Arazyme Gel.

Dr. Ho Young Park

Dr. Ho-young Park is an authority on biotechnology. After receiving his doctorate from Seoul National University and becoming director of the Korean Research Institute of Bioscience and Biotechnology, Dr. Park now lectures worldwide. He has written over 20 books and is featured internationally in the media. Dr. Park has discovered and continues to research applications for the powerful protease enzyme Arazyme.

## FACIAL CLEANSING GEL

### With Enzyme Skin Peeling Technology

**Arazyme** breakthrough technology uses a patented natural protease enzyme to dramatically remove old keratin build up and skin impurities without the sensitivity of acid type peels.

For all skin types, **Arazyme Facial Cleansing Gel** is a treatment that remarkably removes dead cells as it deep cleans, and restores natural moisture balance. The result is a remarkably soft, smooth texture and youthful appearance.

**DIRECTIONS:** Use two to three times weekly. Massage your face with **Arazyme Facial Cleansing Gel** for 2 minutes. Rinse with warm water. Avoid eye and lip areas.

**CAUTION:** For external use only. If irritation develops, discontinue use. Keep out of reach of children.

## FACIAL CLEANSING POWDER

### With Enzyme Skin Peeling Technology

For all skin types, **Arazyme Facial Cleansing Powder** is a daily cleanser that removes dead cells as it deep cleans, and maintains natural moisture balance. The result is a remarkably soft, smooth texture and youthful appearance.

**DIRECTIONS:** Each day pour 1 gram of **Arazyme Facial Cleansing Powder** into your palm and lather with 2 grams of water. Massage your face for 3 minutes, and rinse with warm water.

**CAUTION:** For external use only. Avoid eyes & lips. If irritation develops, discontinue use. Keep out of reach of children.

**STORAGE:** Close hole after use and store at room temperature away from sunlight.
